

Hello Artist Friends,

Wanted to update you on the Board status. We don't have anyone to do the newsletter so if you have news, send to nenartist@hotmail.com and I will put in Presidents' letter. I will still do that and most people said they weren't opening their newsletter anyway.

The web site [ACA Updates](#) page highlights a number of pages updated on [Associated Creative Artists](#) web site. This includes the list of artist's who will be giving our demonstrations this year.

There are a lot of people that haven't paid their dues. So send Mike Tipton a check made out to ACA for \$35. The mailing address is Associated Creative Artists; P.O. Box 472968; Garland, TX 75047. Mike keeps a list of members who have paid dues for 2014-2015. Members with Gallery pages on the web site will have it removed if dues are not paid.

Also we don't have any one to be the Greeter or Refreshments, so far we are ok with no chairman, everyone just brings snacks and volunteers put them out and help with clean up.

Whatever you can do to help will be appreciated. This club has withstood a lot of neglect. But people still have to participate. Showing up at meetings helps a lot. I really love this club and want only the best. It would be a great lose if this 60th Anniversary Year for ACA is also its last. So how about if you help.

We also don't have a chairman for the Annual Awards Show, Or Co-Chair. So, if no one assumes responsibility there will not be a show. My mobile number is 972-824-6830 and home is 972-495-2888. Call me and tell me you can help.

I must end my letter on a sad note, I found out we lost one of our Dear Artist friend, Sally Deckard, she passed away in July. Larue Hunter sent the family a card from ACA. She was a very good artist and won our mini show with her Aspen Painting.

Also she loaned us her painting to go in Hall of Fame each year and I would go pick it up. We will all miss her.

Planning for a great year and Thanks,

Nena Luttrull
ACA President
